

North Carolina continues to have a top-ranked business climate. Through Gov. Perdue's JobsNOW initiative, the state works aggressively to create jobs, train and retrain its workforce, and lay the foundation for a strong and sustainable economic future.

Through use of the One NC Fund, more than 50,000 jobs and \$9 billion in investment have been created since 2001. Other partners that helped with this project include: the N.C. Department of Commerce, N.C. Community Colleges, City of Shelby, Cleveland County, Duke Energy and the Cleveland County Economic Development Partnership.
